**QUEEN MOVES TO  
DISMISS KUHIO  
TRUST CONTEST**

Personally Signs Motion Declaring Suit Was Brought Without Her Consent

A motion to dismiss the suit brought by Belegate Kuhio against the trustees of the Liliuokalani Trust, which proposes to dissolve the trust in which the former queen's estate is held, has been filed in circuit court by Liliuokalani through her attorney, Judge Antonio Perry. The queen has personally signed the motion.

The suit was brought by Kuhio as "next friend" of the queen. The motion declares that the suit was filed without the authority, consent or knowledge of the queen and that, since its institution, she has not in any way ratified the bringing or the maintenance of the suit; that she disapproves of its institution and she desires that it be terminated and dismissed.

"And she, therefore, so far as it lies in her power to do so," the motion continues, "hereby terminates, withdraws and discontinues the aforesaid and above entitled suit."

**OFFICIAL URGES  
ALL TRAVELERS  
GET PASSPORTS**

"It is very dangerous now for Americans to travel in the Orient or in Australia without passports," said Federal Clerk Foster L. Davis, today.

"For this reason I would urge that all tourists or other persons in Honolulu who intend to travel call at this office and obtain the necessary papers."

Mr. Davis also pointed out that the only place in Honolulu where passports may be obtained is at the office of the federal court clerk, Model building, Fort street.

"I understand," he continued, "that the managements of various local hotels have been sending their guests to the immigration station for passports, thereby causing both guests and officials no little trouble. It is a simple matter to secure a passport, and the cost is only \$2.00. Travelers who have passports will be less troubled on their journey if they have passports than if they do not have them."

Passports are not issued by American diplomatic and consular officers abroad, except in cases of emergency, and a citizen who is abroad and desires to procure a passport must apply therefor through the nearest diplomatic or consular office of the secretary of state.

**PERMITS IN 1915  
BEAT LAST YEAR  
BY BIG MARGIN**

Figures compiled with the aid of the Trent Trust Company, which is putting out a bulletin on building conditions throughout the city during the last year and several years previous, show that a total of \$1,402,023 in building permits were filed in the office of the building inspector during the year 1915.

During the year 1914 there were \$810,000 worth of permits filed. This makes the 1915 showing better by \$592,023 than the year previous.

Separate months brought in permits as follows, during the year at noon ending today:

January, \$11,959; February, \$91,283; March, \$98,971; April, \$114,194; May, \$219,437; June, \$103,993; July, \$177,270; August, \$124,621; September, \$85,646; October, \$126,048; November, \$162,595; December, \$87,138.

**MRS. PALMER TOO SICK  
TO TESTIFY IN COURT**

Because Mrs. Mary F. Palmer is too sick to testify, the case of Ricardo Caviara, her alleged assailant, has been continued in Circuit Judge Ashford's court until 9 o'clock next Monday morning, at which time it will be set for trial, providing Mrs. Palmer is still ill.

The police say that Mrs. Palmer has positively identified Ricardo as the man who assaulted her on the night of October 3 at the residence of Lieut. W. C. Whitener, U. S. A., in Manoa. It was reported today that the defense will try to establish an alibi, as it has a witness who claims to have been with Ricardo on the night of the assault.

**JUDGES' REPORTS FOR  
YEAR FINISHED TODAY**

The reports of Circuit Judges Ashford, Whitney and Stuart, covering the work done in 1915, were completed today and submitted to the chief justice of the supreme court. The reports show that during the year there was an unusually large volume of business, especially in divorce, juvenile and criminal work. The new court term begins next Monday with a redistribution of work.

**LOCAL AND GENERAL**

On New Year's Day the Bishop Museum will be open to the public as usual.

Circuit Judge Ashford's trial jurors have been excused until next Wednesday morning at 9 o'clock.

Judge Monsarrat today adjourned his court until Monday at 9 o'clock, taking last day holiday day and declaring for rest all day tomorrow. All court employees will be allowed the day off, but the police and police clerks will have to work.

All officers of the National Guard of Hawaii on Oahu have been ordered to assemble at the armory at 9:45 a. m. tomorrow and at 10 o'clock will call officially on Governor Lucius E. Pinkham.

Oahu College trustees have notified the Promotion Committee that they will send certain large photographs of the Punahou grounds and buildings for use at the San Diego exposition next year. It is expected that the Promotion Committee will arrange to have an educational exhibit in the southern California city some time next year.

As only a few directors could be present, and the date was inconvenient for the business to be transacted, the Sailors' Home Association met for a few minutes this morning in the rooms of Messrs. F. A. Schaefer & Company, Ltd., and adjourned the annual meeting until a date next month, to be announced later. No business was transacted today.

**PERSONALITIES**

JOHN C. ANDERSON, probation officer, will act as official announcer tonight at Mayor Lane's sidewalk dance on Bishop street.

E. E. BROOKS of the Associated Charities will spend a week end with the J. A. Rath family in the Palama summer camp at Waiialua.

**MORNING ON 'CHANGE**

With the exception of Oahu Sugar, which showed a gain of one-eighth this morning, the last call of the old year on 'change was marked by listlessness, little trading, and in the case of Oahu, a retrogression in price. No price movements were of importance, however, the market being too apathetic for big turns. Actual sales totaled only 205 shares. There will be no session of the exchange until Monday morning, the usual New Year's Day closing rule being in effect.

**HENRY LEE AGAIN IN  
CLUTCHES OF POLICE**

Henry Lee, author of a letter to the mayor complaining of the laxity of the police which created a small storm some months ago, fell into the clutches of the police last night for the second time in two weeks and will be charged tomorrow with having opium in his possession. Lee last time said he was in the opium joint looking for evidence to present to the United States marshal but was convicted. His arrest last night was made in the room of Ah Chow at Maunakea and Hotel street, where he was taken on the charge of having opium.

Ah Lin and Yuen Ki Ho, the latter a Korean, were also arrested last night in Chinese theater alley, Lin for having opium and Ho for smoking. Swift, Kizuki and Anderson made the arrests.

**U. S. MARSHAL'S  
STAFF MAY HAVE  
BROKEN RECORD**

Report Shows That 2416 Personal Services Were Made in Last Three Months

Marshal J. J. Smiddy believes that during the three months ending today his office has broken all records for personal service, and hung up a new mark. During 1915, he says, probably no other officers in the service of the department of justice have done as large a volume of work with regard to serving warrants, subpoenas and other papers as have the members of his staff.

The report for the three months shows that the marshal served 124 warrants of arrest, Deputy Albert Harris served 57 and Deputy Otto Heine served 86. Four hundred and forty citations, summonses and subpoenas were served by the marshal, 289 by Deputy Harris and 676 by Deputy Heine. The marshal served 272 commitments and releases, Deputy Harris served 131 and Deputy Heine served 171. This makes a total of 297 warrants, 1905 citations, summonses and subpoenas, and 574 commitments and releases, or a grand total of 2416.

During the last three months \$4096.42 was paid out by the marshal in jurors' fees and mileage. Of this amount, \$3846 was paid in per diems and \$250.42 in mileage.

**CARTER WORSE;  
MEN SUSPECTED  
OF KNIFING HELD**

John K. Stuart and Oscar Nelson, 2d Infantrymen, were charged in the police court today with attacking Henry Carter with a deadly weapon Christmas Eve. On the request of L. M. Straus, counsel for Nelson, his case was continued until Monday, January 10, because Carter's case was continued on his request to be allowed time to get counsel.

Nelson's attorney said his client was ready for trial at once, but Prosecuting Attorney Chillingworth objected to setting the case earlier than January 10, because Carter could not appear as a witness. Chillingworth said Carter's condition was worse and that he was still in a serious, if not critical condition. Carter is so ill, Chillingworth said, that his physicians yesterday refused permission to move him from one cot to another in the hospital for fear the long gash in his abdomen might be reopened.

Seventy Texas Democrats, with a check for \$100,000, left Dallas for Washington to bring the Democratic national convention to Dallas.
